TUITION ASSISTANCE:

To the Community of Parents with Children at St. Rose School,

As I am sure you can imagine, preparations are underway for the 2017-2018 School Year. And with all new beginnings, we approach the new year filled with hope and promise. With this letter, I would like to bring to your attention the important issue of tuition assistance for families unable to pay the full tuition at St. Rose School.

With the change of administration in both the school and parish office, a variety of unwritten and unofficial tuition assistance arrangements were discovered. We have done our best to honor all such arrangements for the 2016-2017 school year. With the completion of this school year, all such arrangements come to an end.

Please understand it is not our intention to bring financial hardship to any of the families sending children to St. Rose School. And we announce the termination of such arrangements being fully aware and fearful that we may lose some families and students because of it. That is not our intention and we sincerely apologize for that.

What is our intention is to implement a fair and uniform process of bringing the tuition assistance available at St. Rose to those families and students with demonstrated need and where the assistance can genuinely make a difference. It is our hope and prayer that no child or family will be turned away from attending St. Rose School because they cannot afford it. Tuition assistance is available.

You are currently in the process of completing the parent-school tuition agreement. (As a gentle reminder, this agreement is due in the office by April 30th.) If you are in need of tuition assistance, please indicate that need clearly on this agreement. The total amount of tuition assistance and the individual awarding of tuition assistance will be directed and coordinated by the Principal's Tuition Assistance Committee. No tuition assistance will be given nor will special tuition assistance arrangements be made by either the pastor or the principal.

The Principal's Tuition Assistance Committee is made up of competent, caring parent representatives committed to helping families in need and also dedicated to a fair and equitable distribution of the tuition dollars available in the St. Rose School community.

We approach the new year filled with hope and promise. Your completion of the parent-school tuition agreement will help us plan with confidence that our financial resources will properly support the overall school program. And we recommit ourselves to the formation of boys and girls who will be good citizens of this world, loving God and neighbor, and enriching society with the leaven of the Gospel.

Sincerely,
Father Paul A. Noble, Ph.D.
Pastor

PARISH/CONSORTIUM FESTIVAL: We are pleased to announce the annual Parish Festivals will now be consolidated into one consortiumwide Festival. The first annual Perry County Consortium Festival will be held June 16th and 17th at St. Rose parish. The Festival will run from 5:00 p.m. to approximately midnight each night. Due to the increase in scale from a normal Parish Festival, we are asking for donations now. The following items may be donated at any time: bottled water, pop, baskets for the basket wheel (basket wheel with various items, i.e. cooking themed, kid themed, etc., with an approximate \$10.00 value), silent auction items, Chinese auction items, gift cards to Kroger and monetary donations. Additionally, if you are interested in being in charge of any of the following stands, please contact April Gable at St. Rose School during school hours at 740-342-3043: Money Wheel...Cake Stand...Basket Stand...Kiddie Land...Lunch Stand. If in charge of a particular stand, you are responsible for finding workers for the stand for each night from 5:00 p.m. to midnight, helping to fill in at the respective stand and ensuring the stand is full of prizes thru the night. Please continue to watch for updates thru the year. We are in need of as many volunteers and donations as possible to make this a successful event.
