PARISH/CONSORTIUM FESTIVAL: We are pleased to announce the annual parish Festivals will now be consolidated into one consortium wide Festival. The first annual Perry County Consortium Festival will be held June 16th and 17th at St. Rose Parish. The Festival will run from 5:00 p.m., to approximately midnight, each night. Due to the increase in scale from a normal parish Festival, we are asking for donations now. The following items may be donated at any time: bottled water, pop, baskets for the basket wheel (baskets wheel with various items i.e. cooking themed, kid themed, etc., with an approximate \$10.00 value), silent auction items, Chinese auction items, gift card to Kroger and monetary donations. Additionally, if you are interested in being in charge of any of the following stands, please contact April Gable at St. Rose School during school hours at 740-342-3043: Money Wheel... Cake Stand...Basket Stand...Kiddie Land...Lunch Stand. If in charge of a particular stand, you are responsible for finding workers for the stand for each night from 5:00 p.m. to midnight, helping to fill in at the respective stand and ensuring the stand is full of prizes thru the night. We are in need of many volunteers and donations as possible to make this as a successful event.

**A CARDIAC AED READY RESCUE KIT**

is located in St. Rose Church. We are trying to ascertain if there are any individuals trained in the use of such equipment, and the advisability of continuing to purchase the necessary replacement equipment to keep it in working order. Please contact the Consortium Office (740-342-1348) with any knowledge or information you may have regarding this matter. Thank you.

RICE BOWL ENCOUNTER: 5TH WEEK OF LENT: We encounter Dita in Ethiopia, and see how her newfound entrepreneurial skills are providing three meals a day for her children – even during a devastating drought. What skills have you discovered this Lent that can be put to good use in building God's kingdom? *"The word of God helps us to open our eyes to welcome and love life, especially when it is weak and vulnerable. But in order to do this, we have to take seriously what the Gospel tells us about the rich man"* (Pope Francis.) At the end of the day, we're each called to respond to Pope Francis' invitation to build the culture of encounter in our own unique ways. We hope The Rice Bowl helps us encounter new people, places, and experiences with open eyes and open hearts.

IS POLYSTYRENE (KNOWN AS STYROFOAM) a good choice for holding our food and drink? Lots of research...lots of sources...the bottom line...Polystyrene creates waste that does not go away and impacts our environment by releasing pollutants into the air and water. A simple list of why we might want to avoid using polystyrene:

Emits harmful gases during manufacture...Among the top 5 contributors to marine and ocean pollution... When burned, it puts out harmful fumes... When heated it leaks tiny doses of styrene chemicals into food and drink... Economically unviable for recycling...transport cost will exceed its value "Conservation (wise use) is a state of harmony between man and land." Aldo Leopold Just say no styrofoam! Perry County Waste Reduction and Recycling.
