

PASTOR'S CORNER

BIBLE STUDY GROUP – SYMBOLON: Session 3:

God's Love Letter to Humanity: This Wednesday we will be covering 1.) The Bible as God's loving communication with each of us, 2.) What we mean when we say the Bible is inspired by the Holy Spirit, 3.) The Catholic approach to interpreting Scripture correctly, 4.) How the Church discerns which books are part of the Bible (the canon of Scripture), 5.) How we can know with confidence that the Bible contains God's revelation for our lives, 6.) How to start studying the Bible and praying with God's Word. Even if you didn't come to the earlier sessions, you are most welcome to join us! Wednesday, September 3, at 10:00 a.m. or 7:00 p.m. in the LL of the St. Rose PCC. Folks desiring to participate in the RCIA program...either as candidates or as a way to explore the Faith...are also included in this study group. Everyone is welcome. There is no fee or homework. Come to as many as you are able.

COMING SOON TMIIY: THAT MAN IS YOU! Honestly addresses the pressures and temptations that men face in our modern culture, especially those relating to their roles as husbands and fathers. The program harmonizes current social and medical science with teachings of the Church and the wisdom of the saints to develop the vision of man fully alive.

It is particularly indebted to the teaching of the Second Vatican Council and Pope John Paul II. Men attending *That Man is You!* typically consider the content to be the program's greatest strength, rating it 9.4 on a 10-point scale. Begins Saturday, September 13 at 7:00 a.m. in the Lower Level/PCC.

THE PERRY COUNTY CONSORTIUM OF CATHOLIC PARISHES

ST. VINCENT de PAUL GRANTS:

The Catholic Foundation recently awarded two grants to the St. Vincent De Paul Society of our Consortium. The grants were received by the parishes of St. Rose and St. Bernard. These grants are given after consideration by the committee which awards grants for the diocese *Challenge in Changing Times Campaign*. There are four categories within the grant process. The grants for our consortium were in the "Service to the Poor and Needy" category. The grant to St. Rose Parish is in the amount of \$5,000.00 and will be used to help with utility bills for the clients of the society. The St. Bernard grant is in the amount of \$1,000.00 and will be used to purchase turkeys and other supplies to continue our Thanksgiving Dinner project. Clients are referred to our center by Community Action and Salvation Army. Each month, we pay approximately \$1,000.00 for utility bills and clients are eligible once a year for the maximum of three years. Our turkeys are purchased for inclusion in the dinner supplies which are given to residents of the Southern Local School System and clients of Perry County Children's Services. We are most grateful to the committee for selecting our projects as worthy of the grants from the *Challenge in Changing Times* and to all members of the Consortium who support our efforts with the fifth Sunday collection and food and clothing for our center in Corning. If you are interested in becoming a member of the St. Vincent de Paul Society, please call Linda Klingler, at 987-5471.

GOING AWAY TO COLLEGE:

Moving from high school to college is a crucial transition in the faith lives of young people and studies have shown that students who stay connected through campus ministry are more prone to be active in their faith in later years. Some students really flourish in faith in their college years and Catholic Campus Ministry can be a wonderful companion for them as they take their faith journey through higher education. Encourage students to connect with their Catholic Campus Minister and encourage them to sign up online at this web site that will send their contact information to their new school's campus ministry. The site is <http://www.cdeducation.org/oym/cm/connection.htm>.
