SCHOOL NEWS:**BUILDING OUR FUTURE:**

We met with Kitty Quinn from the Diocesan Education Office for the third time on May 6th. Possible room location as well as grade assignment were discussed. Unfortunately, no conclusions were reached, but we are closer. It is a very difficult process when one asks a teacher to try something new and different. What we are being asked to do is very new and to be honest, a little unnerving.

Try to remember that one of the underlying issues is that we want to do our best jobs and there is not one teacher who wants to give less than their best for your children. So the issue becomes a very personal challenge for each teacher.

If our teachers didn't care about your students and didn't care what kind of job they did, we would be past this point. The very fact that this process is difficult is proof that this staff cares about what kind of education your child receives.

It is our intent to have the staffing issues settled at our next meeting. Anyone who is interested in "Blended Learning" needs to Google it. There are several videos online and a few articles. These films and articles do make the whole process less scary.

We want to point out that while the staffing issue is slowed down, we are progressing in other areas. We have been in contact with other Catholic Schools about next year, and those principals are willing to work with us. The office staff has established contacts with the Ohio Dept. of

Education and the Columbus Diocese in order get a head start on next year's paperwork.

Mr. Medaugh will be working with New Lexington City Schools this summer in an effort to make sure we are in compliance with the services they provide and we remain eligible for those services. Additionally, we are also progressing in preparing service projects for next year.

We are still working with EdChoice and we see this as a wonderful chance for us to evangelize and take a role in the larger community seriously.

We have been in contact with the Principal at St. Bridget's in Dublin and will be taking a look at science tables, bookcases, bulletin boards, etc. These items and many more are being donated to us.

In preparation for next year, we are going to be closing the office on Friday mornings from 9:00-10:00 a.m. so that all of our students and employees can attend the school Mass. Should you arrive late on Fridays, bring your child to the church where they will be met by an adult.

Our last Virtue Assembly was held at the church. The four chime choirs performed and between the pieces students reviewed the virtues we have learned about this year. This is another program that will become an outreach ministry for us. The chime choirs are now four years old and we continue to be amazed at the work ethic and the pride with which your children perform. It is time to take this ministry to the next level.

We are grateful that the Diocese feels that St. Rose is worth saving and we are humbled by the prospect that what we may be able to accomplish here could benefit other Catholic schools. We have been given an opportunity to demonstrate our faith and our willingness to help others. We can make St. Rose the kind of place other schools visit to view our successes, and we can be the kind of school of which families want to be a part.

**REGISTER YOUR CHILD, PLEASE CALL THE OFFICE at 740-342-3043, MONDAY-FRIDAY, 8:00 A.M.-3:45 P.M.**

Those who received EDCHOICE scholarships for 2014-15 must complete the renewal forms for the upcoming year, which were mailed out by the Ohio Department of Education. To enroll, call the St. Rose School office at 740-342-3043 and speak to Mrs. Demeter, Principal, or Mrs. Teresa Medaugh.

Congratulations!

Marissa Ward has been appointed to the Diocesan Catholic School Advisory Commission. Marissa was nominated and was required to submit an application. After a review Marissa was notified that she had been selected.

FESTIVAL NEWS: FESTIVAL JUNE 19TH-20TH: Power Teams have worked so well in the past, we plan to do it again this year! Remember, a Power Team of 2 people will simply work at one stand/wheel for the entire night (6:00 p.m. to midnight) being the leaders of that stand, while other volunteers work in shifts with them. This is a great opportunity to get in several hours of required volunteer time for the 2015-2016 school year all in one night! We are really depending on the generous devotion of your time again this year. We are going to try to add more adults in "Kiddie Land" this year so it will run more smoothly and effectively, and we will also need chaperones for the Friday night teen dance! If you and your spouse or a friend would like to take advantage of this Power Team opportunity, or would simply like to sign up for a shift, please call or text Jenny Spicer at 740-319-0944 or send an email to jen_810@msn.com. Your support is greatly appreciated!

Back to School Bash: Applications for this program sponsored by Perry County Job and Family Services are now available in the office. Applications are due back to the Perry County Job & Family Services office by June 5th. No late applications will be accepted.

CONGRATULATIONS: Sarah Nicole Murray, St. Rose School Class of 2007, graduated from The Ohio State University on May 10th, with a Bachelor of Arts in Psychology. Sarah's plans are to further her education with a Masters' Degree while she works. The academic, spiritual, and social skills taught her while a student there are a huge part of who she is today. God Bless her!

AROUND THE DIOCESE AND THE WORLD:

BAA: Each and every family in our Consortium is urged by Bishop Campbell to support the BAA. The programs and ministries supported by the appeal touch all of our lives in some way, whether through the continued education of our children, marriage preparation classes, the education of our future priests and deacons, or through the assistance to at-risk families throughout the 23 counties of our diocese. Please take time to prayerfully consider what you can give, no gift is too small. Let us strive for 100% participation in our parishes for this worthy cause. Any amounts that are given over our goals will be refunded to our parishes to be used for our particular needs. And as this year's appeal theme reminds us: "*Until He Comes Again, This Is Our Work.*"

SPECIAL COLLECTION: Following the 7.8 magnitude earthquake that struck Nepal toppling buildings and homes, causing widespread panic, and claiming thousands of lives, our Church mourns the terrible suffering of our brothers and sisters affected by this powerful earthquake. The United States Conference of Catholic Bishops and our Bishop Campbell through Catholic Relief Services are requesting a special collection for the people and Church in Nepal. Therefore, our Consortium will have a second collection at all the Masses on May 23rd and 24th for the Church in Nepal. Please be generous!

Catholic Communication Campaign (CCC): The CCC collection this weekend communicates the Gospel through Catholic social media activities, and enriches our faith through podcasts, television, radio and print media. Half of all proceeds remain in our diocese and support local needs, so please be generous.
