SCHOOL NEWS, FROM MR. MEDAUGH, PRINCIPAL:

St. Rose School website:

www.stroselimaschool.org

I am finding that November and December are very busy months for us. Please make every effort to stay informed. I will be meeting with Kitty Quinn from the diocese offices and Joan Miller, the principal of Holy Trinity, to work on some joint activities between Holy Trinity and St. Rose. I can tell you that we will be having a joint caroling project on December 10th. This will be open to grades 5-8. Drivers will be needed that night. Despite ball games and practice, we hope to get 20-24 carolers between the two schools, which will be a pretty good representation of our target Catholic Community. We are also working on joint Open Houses, so that we can promote both schools together and promote Catholic schools as an educational option. Each school will be holding Open Houses on February 7th from 2:00-4:00 p.m. Prior to this event, both schools will promote the event jointly under the banner of Perry County Catholic Schools. Registration for the 2016-2017 school year will begin on February 16th. Mrs. Miller and I along with others, will be developing marketing materials and registration packets.

I publicly want to thank Nick Fiore for his gifts to the students of our school. Not only has he been working on a grotto on the school campus to hold a statue of St. Wilhemina, he has donated two guitars, two mandolins and a harmonica for our kids to use. After Christmas, we will be trying to get a small class together to learn these instruments.

Our 5th and 6th grades met with the ladies from Stanton Villa. It was a great visit. I am always proud of our students in social settings. As a matter of fact, our girls expressed an interest in visiting with the ladies in the future.

We will be dismissing students at 12:45 p.m. on Monday, November 16th. This will enable the staff to continue our work with the i-Ready program with a company representative. The Crooksville buses will be transporting our students that day. Not sure about New Lexington yet.

The resignation of Mrs. Hughes put us in a little bit of a bind this week, but this episode only reinforced my faith. Even though I was nervous about God “closing a door,” I

was confident that He was “opening another one.” It was my job to find it. I am more confident than I have been all year about the direction in which this school is headed. People had called, written and or stopped by to express their willingness to help. With the help of Fr. Jim and the many prayers offered on our behalf, we have been able to fill the math/science position, grades 5-8. Patty Wycinski has agreed to teach math grades 5-8, her classes will be in the mornings. Mrs. Wycinski has many ties to St. Rose School and Church. She has just recently retired from a career of teaching math at New Lexington High School. She is confident in her skills, and brings with her the knowledge and skills our students will need to have in high school math, and she has the desire to prepare our students for those courses. I was most struck by her commitment to our Faith and our Catholic Community. Not only will she improve our school academically, her addition will help strengthen our Catholic tradition as well. Teaching is her vocation. She lives her faith through it. There has been some concern about my trying to teach science and be a full-time principal as well. Those are valid concerns. However, for the past 8 years, I have built the science lab and program from scratch. My teacher’s manuals are all marked and I know where all the materials are. I know the community. As a result, I will have a new schedule. I will be available for principal work, from 7:30 a.m. until 12:30 p.m., each day. I will also be working from 3:30 p.m. to 5:00 p.m. each afternoon. The one area in which we could probably use some help is covering recess and lunch duties if that is something you might want to volunteer for. We also could use some help teaching art or music to 5-8 grades. Mrs. Finck will continue to teach social studies, and language arts grade 5-8. I will be teaching Life Science to 5/6 and Physics-Chemistry to the 7/8. Fr. Jim will be covering Religion for grades 5-8 and Mrs. Wycinski will handle the math classes for grades 5-8. In the midst of all of these changes, I interviewed a wonderful young lady to take Mrs. Reed’s maternity leave. Pray that she accepts the position.

AMAZING STUDENTS: Abbey Krile, seventh grade earned medals at the 2015 YMCA National Gymnastics Championship. Abbey competed in the Level 5 Senior Division and placed fourth on Uneven Bars, sixth on the Balance Beam and fifth All Around. Over 1,300 qualifying gymnasts from around the country gathered to compete in the championship meet held in Wichita, Kansas. Abbey trains with the Lancaster YMCA Gymnastics Team. Way to go Abbey!

AMAZING ALUMNI: Bailey Conrad (2013) played in the Fisher Catholic regional volleyball semi finals, unfortunately they lost to Berne Union. There is always next year! Carter Hagy (2012) played in the soccer regional semi-finals and championship games for Rosecrans. Good luck Carter! New Lexington High School’s Briana Joseph (2013) co-Vice President of the FFA Chapter and member of the Rural Soil Team won 1st place in the District and placed 15th out of 43 teams as the state level. Great job!

St. Rose Home and School Fund Raiser: Poinsettia Sale. Support Home and School by purchasing Christmas Poinsettias. These plants are a beautiful Christmas gift during the holiday season. Cost per plant is \$10.00. Home and School receives \$5.00 for each plant sold. The money raised is then used to support the students and teachers of St. Rose School!!! (field trips, classroom supplies, playground equipment, etc.) Students who sell 10 or more flowers, will be invited to a pizza party, prior to Christmas Break. Poinsettia Donation Option: Family, friends, and neighbors may choose to purchase these beautiful plants for donations to residents of Fairview Assisted Living, Genesis Rehab, and Deacon Candidate Mark Weiner's homebound parishioners, to brighten their holiday season. Another option would be to purchase a Poinsettia to be placed on the church altar in memory of a loved one. Order forms can be found in all the churches... drop your order off at school or in the collection basket accompanied with your money.

TURKEY TROT: Is November 26th at 9:00 a.m. If you'd like to be a business sponsor, the cost is \$100.00 and your business will be put on the back of the T-shirt. Please notify Laura Hagy at 740-243-0499 by November 18th... To sign up for the race, visit the St. Rose website for an entry form. Cost is \$20.00 to preregister and \$25.00 the day of the race. First 75 entries are guaranteed a T-shirt. All Money raised goes to the St. Rose Athletic Association.

ALUMNI CHALLENGE: Recently the St. Rose Class of 1975 met in the PCC for our 40th reunion. We had many laughs remembering the good old days at SRS and catching up with lifelong friends made while students at our great school. Our classmates have decided to begin a challenge for all other graduating classes from St. Rose. We took up a collection to donate to St. Rose School to be used in whatever way deemed needed at the school. And now, we are challenging all other graduating classes to meet or beat our donation of \$1,010.00 While we are so grateful for the education and memories given to us, we want to continue to see many other students get the same opportunity we did. So...Game on! This is one game, the Class of 1975 hopes to lose. Thank you Class of '75 for supporting our cherished old school!

7 Things You Can Do to Support the Refugees in Europe: As the refugee and migrant crisis grows in Europe, Catholic Relief Services and our partners like Caritas are there on the ground, providing assistance to families in need. As the difficult images fill the news, many people and parishes have asked what they can do to help. Here are seven tangible actions you can take to make a difference in the lives of people who have left their homes behind due to violent and difficult situations.

1. Learn more; 2. Donate: More than 90 percent of money donated to CRS goes directly to people in need. 3. Fundraise: You can provide direct assistance by raising money. Your support will ensure that we can provide immediate assistance, including: food, water, access to sanitation, legal services and medical care. 4. Advocate: CRS is calling on the US to continue and expand humanitarian assistance to Syrian refugees, especially to countries in the Middle East, that have for years been sheltering the largest number of Syrians and Iraqis, as well as to countries burdened by this new migration. The US should lead concerted diplomatic efforts to end the fighting in Syria. Write letters to our nation's leaders urging them to take up the cause. 5. Use Social Media: Follow the retweet @Catholic Relief, @CRS News, @Brennan CRS, @KimPoz and @ngamer19 on Twitter for the latest updates on the #Refugee Crisis that's reached Europe. 6. Pray for protection for refugees – particularly those fleeing Northern Africa for Europe – as well as for personal transformation as we face the needs of refugees everywhere. 7. Support Refugees in the United States. There are many ways to help refugees in the US through organizations such as Migration and Refugee Services, our local Catholic Charities or by volunteering to help refugees in your own area.
