THANK YOU!!

My time serving as a priest in Perry County has been a great blessing for me. As I go to a new parish assignment, I carry many wonderful memories of the good folks in our four parishes. Thank you and may God continue to bless your lives....Fr. John Reade

POPE FRANCIS

MEMORY AND PROMISE... The memory of our elderly people sustains us as we journey on. The future of society is rooted in the elderly and in the young; the latter, because they have the strength and are of the age to carry history ahead; the former, because they are a living memory. A people that does not take care of its elderly, its children, and its youth has no future, because it abuses both memory and promise.

CONTRITION... To cultivate contrition, we can seek the Spirit's gift of knowledge, which helps us face the truth about our sins. A sincere prayer for the gift of knowledge prepares a penitent for a more fruitful examination of conscience. Awareness of our sins disposes us to appreciate the immeasurable gift of pardon.
