## POPE FRANCIS:

LET US BE LIGHTS OF HOPE! It is true that nowadays, to some extent, everyone, including our young people, feel attracted by the many idols which take the place of God and appear to offer hope: money, success, power, pleasure. Often a growing sense of loneliness and emptiness in the hearts of many people and it leads them to seek satisfaction in these ephemeral idols. Dear brothers and sisters, let us be lights of hope! Let us maintain a positive outlook on reality. Let us encourage the generosity, which is typical of the young and help them to work actively in building a better world. Young people are a powerful engine for the Church and for society. They do not need material things alone; also and above all, they need to have held up to them those nonmaterial values which are the spiritual heart of a people, the memory of a people. Those values of: spirituality, generosity, solidarity, perseverance, fraternity, joy; they are values whose deepest root is in the Christian faith.

Saint Mary Magdalene...The Gospels tell us that Mary Magdalene was one from whom "seven demons had gone out" (Lk. 8:2). She came to Jesus in her brokenness. Overwhelmed with the desire for something to change, she asked Him to heal her and He did. From that time, Mary followed Him anywhere and everywhere. She stood with the other women at the foot of the cross. And on the morning after the Sabbath, she stood outside the tomb weeping (Jn. 20:11-16). There she met the gardener. "Woman, why are you weeping?" Sick with grief, Mary said, "Sir, if you carried him away, tell me where you laid him, and I will take him" At this, the "gardener" addressed her, "Mary!"

All at once, she knew that it was Jesus. The one who healed her and conquered death itself. And, He called her by name! She was overwhelmed with His love. Meditating upon Mary Magdalene, Pope Benedict XVI taught: "If we seek the Lord with a simple and sincere mind, we too will find him; indeed, he himself will come to meet us; he will make us recognize him, he will call us by name...he will admit us to the intimacy of his love."

**THANKS** to Diane Rodgers, who has resigned as CCD Director at the Church of the Atonement. She has served since the 1970s and, in those last 15 years, it has been a wonderful experience for her working with the young people of the Church, which provided her with growth in her faith throughout her adventure. She appreciates all the support the priests and the parish have given her over the years. Diane has the program ready to go for the coming year. She is continuing as the correspondence person for the ill, shut-ins, and needed thank-you cards, sympathy cards and other considerations for members of the Atonement Parish. Our gratitude and best wishes to Diane, that God will continue to Bless her!

**MASS FOR PEACE AND HEALING** will be celebrated by Bishop Campbell on Wednesday, July 20th, at 5:15 p.m., at the Cathedral. The Mass will conclude with a Holy Hour and Rosary for peace and healing. The Mass is being celebrated in conjunction with the Diocesan Office of Black Catholic Ministries. In light of the conflict at times between the African-American community and law enforcement that has led to the unnecessary loss of life in several cities, better communication and healing are necessary between the two communities. Our prayers can be a large factor in bringing communities together. Black Catholic Ministries believes that **all lives matter** – Black Lives Matter, Blue Lives Matter, White Lives Matter – and that we must promote understanding and communication among the different groups of our society. This understanding begins when we open lines of communication that result in constructive dialogue. The Church can be instrumental in promoting such dialogue through prayer and worship services. Everyone is encouraged to pray for peace among our fellow citizens, and through our own behavior and attitudes, to live the values Jesus taught us in the Gospel.

**ST. PEREGRINE:** Patron Saint of Cancer Patients – In 2010, Bishop Fredrick Campbell and The Diocesan Council of Catholic Women launched a cancer response initiative – Catholic for Cancer Prevention and Cure. In 2016, this initiative was renamed the St. Peregrine Fund. The purpose of the fund is to provide resources for cancer screening, ethical research, and outreach to individuals and families dealing with all forms of cancer. In Pope Francis' apostolic exhortation, *Evangelii Gaudium* (The Joy of the Gospel), we are called to respond to the Gospel, to live it more fully and more deeply, to reach out to the poor and broken, to end injustice, to build peace. And to find the joy in all of it. The St. Peregrine Fund seeks the active involvement of all 106 parishes, 11 Catholic high schools, and 42 elementary schools by challenging them to create small, medium, and large money making events. One hundred percent of all donations will be divided equally among our: Mount Carmel Healthcare Foundation in Columbus, The Genesis Healthcare Foundation in Zanesville, The Trinity Hospital Twin City Foundation in Dennison, and The Stefanie Spielman Fund for Breast Cancer.
