MONDAY, AUGUST 15TH

Feast of the Assumption of the Blessed Virgin Mary is NOT a holy day of obligation this year, since it falls on Monday.

POPE FRANCIS:

Make known God's Plan for the Family. Today, the family is looked down upon and mistreated. We are called to acknowledge how beautiful, true, and good it is to start a family, to be a family today, and how indispensable the family is for the life of the world and for the future of humanity. We are called to make known God's magnificent plan for the family and to help spouses joyfully experience this plan in their lives, as we accompany them amidst so many difficulties with a pastoral care that is sound, courageous, and full of love.

Solemnity of the Assumption of the Blessed Virgin Mary....This feast celebrates our belief that Mary, free from original sin by virtue of the Immaculate Conception, was taken up body and soul into heaven. (cf. The Constitution of the Church, 59). Like the mother she is, Mary continues to intercede for us. Every feast of Mary speaks of and to the Church, and this feast is no exception. This glory that Mary enjoys, body and soul in heaven is an experience we will all enjoy in the fullness of time (cf. Constitution, 68). This feast is thus one of great hope and joy for us all. What has been done for her will be done for us, if we accept her as our model, opening our lives to the gift and power of the Holy Spirit, bringing Christ to birth in our lives as she did.

GOOD NEWS: In June 2016, the Ohio General Assembly authorized the creation of the Lead Plumbing Fixture Replacement Assistance Grants Program. This also prompted that any school housed in a building constructed before 1990, would be required to have all drinking water fountains tested. TCCI Laboratories Inc. tested all three drinking water fountains in St. Rose School, and the School passed with flying colors. NO LEAD...LEAD FREE!!
