**Summary of the St. Rose Town Hall Meeting:** By way of introduction, Father Noble emphasized that the Town Hall Meetings are understood as the first step in a long-term discussion of the needs and dreams of the Perry County Consortium of Catholic Parishes. Father Noble brought the following items to the discussion

- Because of the degeneration of the foundation of the rectory of St. Rose, it is projected to collapse within the next 1-3 years.
- A brief financial summary of the fiscal year 2015-2016.
- The call to prepare for the celebration of 150 years as a parish at St. Rose
- Parish renewal models such as Amazing Parish and Christ Renews His Parish
- Air-conditioning St. Rose Church
- Developing a common understanding of "consortium of parishes"

The meeting was attended by about forty people and they brought up the following items for discussion

- A better PA system for the church
- A “recommissioning” of a system of parish councils/finance/liturgy committees
- Greater financial accountability for parish and program funds
- Adult faith-formation programs
- Landscaping the front of the church
- Music at 7:30 a.m. Mass on Sundays
- Air-conditioning the school
- Announcement that new leadership must be found for the Parish Festival with the proposal that the possibility of combining the four parish Festivals into one “consortium” Festival be investigated
- The need to recognize the value of volunteers, how they should be treated with respect, how the burden must be shared by many, so that the few don’t quit from exhaustion
- The call to consciously work at connecting with our college-age and young adult parishioners
- The greater use and development of endowment funds to support the school (watch for the announcement of a meeting in October to address this)
- Review the parish CCD Program
- Review the use of the parish PCC and establish policies governing its use.
- A good deal of discussion focused on recognizing and embracing the important role and contribution made to the life of the parish and community by St. Rose School.

In the course of the meeting, Father Noble announced that the natural “next” step, once the Town Hall meetings are completed, would be the implementation of a “self-study” process to prioritize and evaluate the possibility of implementing the various ideas and proposals. He emphasized the importance of volunteers participating in the self-study process so that any and all proposals truly reflect the heart and mind of the parishes/consortium as we move forward.

**OVER 50:** Will meet next Monday, September 19th, at noon in the PCC/LL. Come and have a GREAT TIME!

**MISSION APPEAL:** This weekend is the Mission Appeal in all 4 Consortium Parishes. Frs. Tony Chakkungal, and Jose Panachimoottil are with the Vincentian Missionary Priests from India. The Vincentian Congregation (V.C.), a religious order founded in Kerala, India in 1904, is modeled after the Congregation of the Mission founded by St. Vincent de Paul. Members of this flourishing Religious Order, all natives of India, are engaged in missionary work all over India, in East Africa and in Peru. They will share their missionary experiences at all the Masses and will make an appeal on behalf of the Vincentian missions. The missionaries need your help to carry out their many missionary, educational and charitable activities in their missions. They also request our special financial support for the training of young men studying for the priesthood. We urge you to be generous in your mission offering since these missionaries rely on our support for the missionary activities. If you do not have an opportunity to make an offering today or would like to make an additional offering, you may make your offering through the collection next weekend in a specially marked envelope. Thank you very much for your prayers and generous financial support. The Vincentian missionaries keep you and your parishes in their prayers and Masses.
